Proxy voting by the Chair

The *Corporations Amendment (Improving Accountability on Director and Executive Remuneration) Act 2011* (Cth), imposes prohibitions on Key Management Personnel and their Closely Related Parties from voting their shares (or voting undirected proxies) on, amongst other things, remuneration matters.

However, the chair of a meeting may vote an undirected proxy (i.e. a proxy that does not specify how it is to be voted), provided the shareholder who has lodged the proxy has given an express voting direction to the chair to exercise the undirected proxy, even if the resolution is connected with the remuneration of a member of Key Management Personnel.

If you complete a Proxy Form that authorises the Chairman of the Meeting to vote on your behalf as proxy, and you do not mark any of the boxes so as to give him directions about how your vote should be cast, then

you will be taken to have expressly authorised the Chairman to exercise your proxy on the Resolutions. In accordance with this express authority provided by you, the Chairman will vote in favour of the Resolutions. If you wish to appoint the Chairman of the Meeting as your proxy, and you wish to direct him how to vote, please tick the appropriate boxes on the Proxy Form.

The Chairman of the Meeting intends to vote all available undirected proxies in favour of each item of business.

If you appoint as your proxy any Director of the Company, except the Chairman, or any other Key Management Personnel or any of their Closely Related Parties and you do not direct your proxy how to vote on Resolutions 1 to 9, he will not vote your proxy on that item of business.

8. RESOLUTION 7 – APPROVAL OF PLACEMENT CAPACITY

<p>General</p>	<p><i>Under ASX Listing Rule 7.1, every listed entity has the ability to issue 15% of its issued capital without shareholder approval in a 12-month period. ASX Listing Rule 7.1A permits eligible small and mid-cap ASX-listed entities, subject to shareholder approval, to issue Equity Securities of up to an additional 10% of its issued capital by way of placements over a 12-month period, in addition to its ability to issue securities under Listing Rule 7.1 (10% Placement Capacity).</i></p> <p><i>The Company seeks shareholder approval under ASX Listing Rule 7.1A for the 10% Placement Capacity. The effect of this resolution will be to allow the Company, subject to the conditions set out below, to issue Equity Securities under the 10% Placement Capacity without using the Company’s 15% placement capacity under ASX Listing Rule 7.1. If approval is not given, the Company will not have the flexibility to issue further securities under ASX Listing Rule 7.1A.</i></p> <p><i>Resolution 7 is a special resolution. Accordingly, at least 75% of votes cast by shareholders present and eligible to vote (in person or by proxy) at the meeting must be in favour of this resolution for it to be passed.</i></p>
<p>Eligibility</p>	<p>ASX-listed entities which have a market capitalisation of \$300 million or less, and which are not included in the S&P/ASX 300 Index will be considered eligible to seek shareholder approval under ASX Listing Rule 7.1A.</p> <p>As at the date of this Notice, the Company, which has a market capitalisation of less than \$300 million, is not included in the S&P/ASX 300 Index. Accordingly, the Company is considered eligible to seek shareholder approval under ASX Listing Rule 7.1A.</p>
<p>Formula</p>	<p>The exact number of additional Equity Securities that the Company may issue under the 10% Placement Capacity will be determined by a formula set out ASX Listing Rule 7.1A.2 as follows:</p> <p style="text-align: center;">(A x D) - E</p> <p>Where:</p> <p>A is the number of shares on issue 12 months before the date of issue or agreement:</p> <ul style="list-style-type: none"> ▪ plus the number of fully paid shares issued in the previous 12 months under an exception in ASX Listing Rule 7.2; ▪ plus the number of partly paid shares that became fully paid in the previous 12 months (there are presently no partly paid shares on issue in the Company); ▪ plus the number of shares issued in the previous 12 months with approval of shareholders under ASX Listing Rules 7.1 and 7.4. This does not include an issue of fully paid shares under the Company’s 15% placement capacity without shareholder approval; and ▪ less the number of shares cancelled in the previous 12 months. <p><i>‘A’ has the same meaning in ASX Listing Rule 7.1 when calculating an entity’s 15% placement capacity</i></p> <p>D is 10%.</p> <p>E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the “relevant period” where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under rule 7.4.</p>

	<p>“Relevant period” means the 12-month period immediately preceding the date of the issue for the agreement.</p>
<p>Conditions of issue under the 10% Placement Capacity</p>	<p>There are a number of conditions applicable to the issue of Equity Securities under ASX Listing Rule 7.1A, including a limitation on the discount to prevailing market price at which they may be issued, and additional disclosure requirements. A summary of these conditions is as follows:</p> <p>(a) Equity Securities issued under the 10% Placement Capacity can only be in a class of securities already quoted. At the date of this Notice, the Company only has one class of securities which are quoted, being ordinary shares.</p> <p>(b) The issue price of each Equity Security issued under the 10% Placement Capacity must be no less than 75% of the volume weighted average market price (VWAP) for Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before either:</p> <ol style="list-style-type: none"> i. the date on which the price at which the Equity Securities are to be issued is agreed; or ii. if the Equity Securities are not issued within 5 trading days of the date in paragraph (i), the date on which the securities are issued.
<p>Period of validity of shareholder approval</p>	<p>In the event that the Company obtains shareholder approval for Resolution 7, such approval will cease to be valid upon the earlier of:</p> <ol style="list-style-type: none"> (a) 12 months after the date of this Annual General Meeting; (b) the time and date of the Company’s next Annual General Meeting; and (c) if applicable, the date on which the Company’s shareholders approve a change to the nature or scale of the Company’s activities under ASX Listing Rule 11.1.2, or the disposal of the Company’s main undertaking under ASX Listing Rule 11.2. <p>(7.1A Placement Period)</p>
<p>INFORMATION TO BE PROVIDED TO SHAREHOLDERS UNDER ASX LISTING RULE 7.3A</p>	
<p>Minimum issue price</p>	<p>The issue price of each Equity Security issued under the 10% Placement Capacity must be no less than 75% of the VWAP for Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before either:</p> <ol style="list-style-type: none"> i. the date on which the price at which the Equity Securities are to be issued is agreed; or ii. if the Equity Securities are not issued within 10 trading days of the date in paragraph (i), the date on which the securities are issued.
<p>Risk of dilution to shareholders</p>	<p>If Resolution 7 is approved by shareholders, any issue of Equity Securities under the 10% Placement Capacity may present a risk of economic and voting dilution of existing shareholders, including the risk that:</p> <ul style="list-style-type: none"> ▪ the market price of the Company’s Equity Securities may be significantly lower on the relevant issue date than on the date of this Meeting; and ▪ the Equity Securities may be issued at a price that is at a discount to the market price for the Company’s Equity Securities on the issue date. <p>The table below shows the potential dilution of existing shareholders under various</p>

scenarios on the basis of:

- an issue price of \$0.18 per share which was the closing price of the Company's shares on the ASX on 10 December 2020; and
- the variable 'A' being calculated as the number of fully paid ordinary shares on issue on the date of this Notice, being 254,995,481.

The table also shows:

- (a) two examples where variable 'A' has increased by 50% and 100%. The number of shares on issue in the Company may increase as a result of the issue of shares that do not require approval of shareholders (for example, pro-rata entitlement issues or scrip issues under takeover offers) or future placements of shares under ASX Listing Rule 7.1 of up to 15% of issued capital that are approved at future general meetings of shareholders; and
- (b) two examples of where the issue price of shares has decreased by 50% and increased by 100%.

VARIABLE 'A'		Dilution		
		50% decrease in issue price \$0.09	Issue price \$0.18	100% increase in issue price \$0.36
Current Variable 'A' 254,995,481 Shares	10% voting dilution	25,499,548 Shares	25,499,548 Shares	25,499,548 Shares
	Funds raised	\$2294959	\$4589919	\$9179837
50% increase in current Variable 'A' 382,493,222 Shares	10% voting dilution	38,249,322 Shares	38,249,322 Shares	38,249,322 Shares
	Funds raised	\$3,442,439	\$6,884,878	\$13,769,756
100% increase in current Variable 'A' 509,990,962 Shares	10% voting dilution	50,999,096 Shares	50,999,096 Shares	50,999,096 Shares
	Funds raised	\$4,589,919	\$9,179,837	\$18,359,675

The table has been prepared on the following assumptions:

- (a) the Company issues the maximum number of shares available under the 10% Placement Capacity;
- (b) no options to acquire shares on issue in the Company are exercised and no convertible notes on issue are converted;
- (c) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue;
- (d) the table does not show an example of dilution that may be caused to a particular shareholder as a result of placements under the 10% Placement Capacity based on that shareholder's holding at the date of the Meeting;
- (e) the table shows only the effect of issues of Equity Securities under the 10% Placement Capacity in accordance with ASX Listing Rule 7.1A and not under the 15% placement capacity under ASX Listing Rule 7.1.

	<p>(f) the issue of Equity Securities under the 10% Placement Capacity consists only of shares and</p> <p>(g) the issue price is \$0.18, being the closing price of the Company's shares on the ASX on 10 December 2020.</p>
Period of validity	The Company will only issue and allot the Equity Securities during the 7.1A Placement Period. The approval under Resolution 7 for the issue of the Equity Securities will cease to be valid in the event that shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
Reason for issue of shares under 10% Placement Capacity	<p>The Company may seek to issue the Equity Securities for the following purposes:</p> <p>(a) non-cash consideration for the acquisition of new assets, businesses or investments, in which event the Company will provide a valuation of the non-cash consideration as required by ASX Listing Rule 7.1A.3; or</p> <p>(b) cash consideration, the proceeds of which will be applied to fund the Company's existing and future activities, including research and development and commercialisation of the Company's product offerings; marketing activities, appraisal of corporate opportunities, investment in new businesses (if any), the costs incurred in undertaking placement(s) of shares under ASX Listing Rule 7.1.A and for general working capital.</p> <p>The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.</p>
Allocation policy	<p>The Company may not issue any or all the Equity Securities for which approval is given and may issue the Equity Securities progressively as the Company places the Equity Securities with investors. The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to factors such as:</p> <ol style="list-style-type: none"> 1. fund raising options (and their viability) available to the Company at the relevant time; 2. the effect of the issue of the Equity Securities on the control of the Company; 3. the financial situation of the Company and the urgency of the requirement for funds; and 4. advice from the Company's corporate, financial, legal and broking advisers. <p>The allottees under the 10% Placement Capacity have not been determined as at the date of this Notice. It is intended that the allottees will be suitable professional and sophisticated investors, and other investors not requiring a disclosure document under section 708 of the Corporations Act, that are known to the Company and/or introduced by third parties.</p> <p>The allottees may include existing substantial shareholders and/or new shareholders, but the allottees will not be related parties of the Company.</p>
Previous approval	The Company previously obtained approval under ASX Listing Rule 7.1A on 22 November 2019. As at 5 February 2020, being the date that is 12 months prior to this Meeting, the Company had the following Equity Securities on issue:
